

## **GENESIS HOCKEY CLUB COLTS**

### **Genesis Colts Parents Day March 2010**

Dear Parent,

Genesis Colts is one of the most successful youth members' clubs in Leinster and we are always trying to progress youth hockey in any way we can. Genesis Colts rely on a huge amount of support from you the parent and we are very appreciative of the support that you give and the commitment required when your child plays in a team sport. Having spent considerable time watching your child play hockey we would like you to have a go at playing hockey yourself.

Last year for the first time we gave you, the parents, the opportunity to participate in a hockey session at our inaugural Genesis Colts Parents Day. Those of you parents that came last year said they really enjoyed it. Whether you are an experienced player who doesn't find the time to get out anymore or a beginner who has never picked up a stick we would like to invite you to our second Genesis Colts Parents Day. This will be **a fun session** for an hour on a Sunday morning and we would love if you would come out (again) and give it a try. Who knows you might even be able to teach your kids a thing or two.

The session will take place on **Sunday 28<sup>th</sup> March** from 10am to 11am on the Patterson Hockey Pitch in UCD. If you have a stick (and a gum shield) please bring it with you but we will provide hockey sticks for anyone who needs them so don't let that stop you. Please also join us for Tea/Coffee afterwards in the UCD sports centre coffee shop. –Come for Coffee even if you don't want to do the Hockey session.

If you would like to attend the session or have any questions about this or any other matters please don't hesitate to contact me on 086-8409698.

I look forward to seeing you on the pitch.

Yours in hockey,

**Hilary Thompson**
