

GENESIS COLTS REGISTRATION for SEASON 2010/2011

It is that time of the year again when we come to the end of another season for Genesis Colts. We hope everyone has enjoyed the season between their training sessions, matches, and tours despite the weather doing its best to hinder our progress. Our last training session will now be on March 28th - our Fun Day and **We will also have a Parents Hockey session that day which** we hope all parents will join in – see attached sheet. Remember no need to know any hockey or have any equipment. Those of you who came to it last year enjoyed the morning. It will be on at the same time as your daughters training. Please also join us for Tea/coffee afterwards in the UCD sports centre coffee shop.

Once again all of our squads went on tour this season - our U14's and U16's to Galway and our U12's to Sligo.

As always the trips were enjoyed by all. – see pictures on the Genesis Web site next week. We will be organising more trips next season again for each of the squads. Many of you the parents helped out in organising and accompanying the trips – Thank you for this as without your assistance we could not undertake these tours.

We ran our annual Parents Presentation early on in the season – thanks to all who attended. This year we had a number of parents who got involved in helping us during the season in running the Colts. This help is invaluable and we would hope to call again on some more of you to assist us next season.

As ever we would like to thank all our coaches who are responsible for running the sessions each Sunday. It is their commitment and enthusiasm that makes the Colts a success. And also the Managers of each squad – all of whom are parents– their organisation particularly for the matches is vital.

It is at this time of the year when we plan for next season. ***We are asking all Colts members who wish to return and play with Genesis next year to return the attached membership form along with next season's fee of €125 by 28th March 2010 – our last session.*** (If you intend not to play for Genesis next season please let us know)

If we do not receive your form your place will be allocated to an applicant on our waiting list.

If you have any daughters who will be going into 3rd or 4th Class next Sept and would like to join our Under 10's group please let us know as we have places at this age group.

Thank you again for your support this season and we hope to see you all back next September.

The first training Session next season will take place on
Sunday 12th September 2010

Yours in hockey,

Genesis Hockey Club – Colts.
